POLICY | SOCIAL RESPONSIBILITY | G INTER

G INTER seeks to contribute for the development of society, promoting actions of social integration and fight against discrimination.

In addition, G Inter undertakes to:

	Generate opportunities of first-job hiring.	
	Integrate and train people with disabilities to the labor market, as well as people with an age superior to 50 years old.	
	Promote and develop social campaigns, with involvement of employees and collaborators.	
	Promote the safety awareness of employees regarding the use of personal protection equipment and safety work practices.	
	Encourage the awareness of employees in the fight against harmful practices of racial, cultural, religious and gender differences discrimination.	
	Comply with legal obligations that, in turn, contribute to the generation of income and improvement of social conditions.	
	Not allow child labor, slavery and degrading work at Ginter, as well as not hiring suppliers who use such practice.
